

## ANTIOCH WOMAN IS VICTIM IN FATAL ACCIDENT

**Mrs. Emily Lucas, 43,  
Falls From Load  
of Hay**

**JUSTIN LOUCH SERIOUSLY HURT**

When the load of hay on which she was riding overturned and the horses ran away, Mrs. Emily Lucas, 43, wife of James Lucas, a farmer living about a mile north of Antioch, was fatally injured on highway 59 opposite cemetery hill, a short distance west of Antioch Monday.

Hired Man Is Seriously Hurt

Mrs. Lucas received a broken neck when she was thrown backward from the load of hay on the concrete. Justin Louch, 31, the hired man on the Lucas farm, received internal injuries and had contusions and cuts about the head when the wheels of the wagon passed over his body. He was rushed to the Lake county hospital, where he is improving.

Louch was sitting on the front part of the load holding the reins when the hay suddenly shifted under him and he tumbled to the road in front of the wagon. The horses became frightened at his cries of anguish and galloped down the road, the load of hay swaying back and forth.

Family Was Moving to Harden Farm  
Mr. Lucas, who has been the tenant of a farm north of Antioch for the past year, was moving to the Harden farm, west of the city, which he had rented for the coming year. Mrs. Lucas and Louch were moving loads of hay to the new property. The load on which the tragedy occurred was the last of the hay left on the farm, from which the Lucases were moving.

Returns Verdict of Accidental Death  
The dead woman's body was removed to the Strang Undertaking parlors, Antioch, and Louch was taken to the office of Dr. Worriner who dispatched him to the hospital. At an inquest into the death held Tuesday afternoon, the coroner's jury returned a verdict of accidental death.

Mrs. Lucas is survived by her husband, and two children, Estelle, 14, and Stanley, 12.

The funeral will be held Saturday morning at 7 o'clock from St. Peter's church, with Rev. Daniel Frawley officiating. The body will then be taken to Chicago for burial.

## WALDO LEASES ANTLERS HOTEL

C. E. Waldo, mine host at the Antioch Hotel for the last year, Tuesday completed arrangements with George Holderness for the lease of the Antlers Hotel where he will take possession as manager on October 31.

Mr. Holderness desires to retire from the business on account of impaired health and intends to leave next week for Florida where he will spend the winter, leaving the Antlers in charge of his brother, Lester, until Mr. Waldo takes possession on Oct. 31.

Possibility of the Antioch Hotel location becoming the site of a mammoth new building, combining a thoroughly modern hotel of 80 or more rooms and a 1,000-seat theatre, was the main factor in prompting Mr. Waldo to seek a lease of the Antlers.

## Firemen Make Survey of Fire Hazards

Antioch Fire Inspectors John L. Horan and George Schlosser were in attendance last night at a banquet at Hotel Clayton, Waukegan, which was held under the auspices of the Chamber of Commerce and the Rotary club in honor of Illinois Firemen's Association officials.

Members of the state association working under the direction of S. L. LeGrled, state fire marshal, made a survey of the downtown business section in Waukegan. They found conditions unusually bad in basements and in the rear of many buildings in the business district. It was reported.

Principal speakers last night at the dinner were State Fire Marshal LeGrled and H. K. Rogore, chief engineer for the Western Aetna Insurance Co.

## Zebras Deliver Milk in St. Louis

"Hums" and "Tuntu," a pair of zebras broken to harness when very young, are used by a St. Louis dairy company to haul one of their wagons during the early morning hours.

## Bobby Vos Dies in Burlington Hospital

Failing to rally after he was taken suddenly ill with an attack of septicaemia, a form of blood poisoning, Bobby Vos, 19 months old, the oldest child of Mr. and Mrs. Cletus Vos, Antioch, died at the Burlington hospital, Tuesday night.

The funeral was held this morning at 9 o'clock from St. Peter's church, with Rev. Daniel Frawley officiating. Burial was at Burlington.

## HACHMEISTER AGAIN BECOMES OWNER OF QUALITY MARKET

**Former Owner Buys Business From O. W. Kettelhut**

O. E. Hachmeister will again become owner and manager of the Quality Market, October 21 when he takes possession of the place purchased this week from O. W. Kettelhut who bought the market from Mr. Hachmeister about three years ago.

The Quality Market, a popular shopping place for nearly forty years, has had many owners. Mr. Kettelhut's first connection with the market was when he purchased it from R. A. Shullis about 17 years ago. He ran the market for about 10 years and then sold to C. J. Roesecheln of the Antioch Packing Co. Mr. Kettelhut being retained as manager when the market was moved across the street. The present store was reopened in the new King block by Mr. Kettelhut in 1923 with a complete new outfit of fixtures, and about a year later Mr. Hachmeister became the owner. After three years in the market Hachmeister sold to Kettelhut, January, 1927. Thus Mr. Kettelhut has owned the Quality Market three times, and now Mr. Hachmeister comes back to become owner for the second time.

Mr. Hachmeister and family have been making their home in Evansville, Indiana. Mr. and Mrs. Kettelhut plan to spend the winter in Texas.

## CITY BRIEFS

Chaperoned by Rev. Phillip Bohl, Dr. R. D. Williams, and Lee Peterson, the local Boy Scouts went to Evanston Saturday to witness Northwestern's first team play Butler and the second team play Cornell university, Mt. Vernon, Iowa.

A telegram came from Long Beach, California, Tuesday, announcing the death of Herbert E. Robbins, a former resident of this vicinity. Mr. Robbins spent the greater share of his life at Liberty Corners on the farm, where Our Country club is now located.

Mr. and Mrs. H. M. Haynes visited Mr. and Mrs. John Hancock at Evanston, Ill., Saturday and Sunday.

Mr. and Mrs. Fred Loof, Mrs. Margaret Loof, and Mr. and Mrs. John Lucas drove to Milwaukee Sunday.

Mrs. Wm. Rosling and Miss Hilma Rosling visited relatives in Grayslake Sunday.

Lester Nixon attended the World Series games in Chicago, Tuesday and Wednesday.

## BURGLARS BREAK INTO BARTLETT SERVICE STATION

**Take Oil, Tools, and Gum Vending Machines**

Prompted by the motive of either theft or destruction, burglars broke into the Bartlett Service station on Main street late Saturday night or early Sunday morning. The method which they employed to gain entrance into the building was to remove a screen from a window which did not happen to be locked.

Take Machines, Small Articles

Among the articles which were missing Sunday morning when Mr. John Blackman arrived at the station were, money changers, a flash light, tire gauge, wrenches, a few bottles of oil, and the candy bar, gum, and peanut machines. The \$7 in change in the cash register was not touched, perhaps due to the fact that the drawer was locked. Several of the bottles of oil had been broken and the contents had been spilled on the floor.

After the thieves had taken all they believed to be of any value, they unlocked the Main street door with a key which was lying on the table and escaped. Mr. Blackman reports that the entire driveway in front of the station was covered with broken glass from the candy, gum, and peanut machine globes. Another evidence that the place had been broken into was the fact that the table lamp had been carried out into the driveway.

Burglary Evidence Found

As he was travelling along the highway between Libertyville and Half Day, Monday the owner of these vending machines, a Chicago man, noticed some metal stands and oil bottles lying in the road. When he stopped to investigate, he discovered that these were the machines which he had placed in the Bartlett Service station.

## New Nash Is Shown at the Main Garage

The new 1930 Nash is on display in the new show room at the Main Garage this week, and A. Maplethorpe, recently appointed Nash dealer for this community, is showing prospects the last motor car achievement from the Nash factory.

Nash now makes a twin-ignition eight-cylinder car, also a six with the twin-ignition and the single six. Rich new body designs and new impressive engineering of the most advanced character, make the Nash one of the leading cars in its class.

## Rev. Bohi Re-appointed To Local Charge

At the annual Rock River conference held at Downers Grove last week, Rev. Phillip Bohl was re-appointed to the local charge.

Misses Den Stone and Richard Rasmussen, Kenosha, spent Tuesday at the home of their sister, Mrs. John M. Blackman.

## MacLean Motors Open Oakland Agency Here

**Oakland, Pontiac Models on Display in Naber Building**

The Oakland Motor Car company today announce another addition to its rapidly growing sales organization in the appointment of Mac Lean Motors as Oakland-Pontiac dealers here for the smart new Pontiac Big Six and its companion car, the colorful new All-American by Oakland. Both lines of cars are displayed at the new showrooms at Antioch, Naber building, Main street, where the public is invited to inspect them.

The huge Oakland-Pontiac merchandising body with which the new dealers here are now identified has shown one of the most remarkable growths in the entire automotive industry. With 5,000 dealers throughout the United States, it is five times the size of the 1925 Oakland dealer organization.

The Mac Lean Motors company is presenting the latest Oakland All-American Six and the new Pontiac Big Six to the public offering engineering practice and body designing skill that have helped make the Oakland Motor Car company one of the fastest growing companies in the industry.

With the factory at Pontiac, Michigan, at its highest capacity for precision production, and with both lines of six cylinder cars enjoying a high measure of public confidence, Mac Lean Motors is confident that these products will gain an outstanding position in this locality.

## LAKE COUNTY CLUB WOMEN TO MEET AT GRAYSLAKE OCT. 18

Lake county women's clubs will hold a meeting at the Congregational church, Grayslake, Friday, Oct. 18, at 1:30 o'clock.

A large attendance is expected, as the Lake county gatherings of club women in the past have been enjoyable affairs and full of interest to women. This meeting will be equally entertaining and instructive.

Mrs. Frank Hamlin is county secretary.

## FARMERS' INSTITUTE WILL BE HELD HERE FRIDAY, OCTOBER 18

**Nationally Known Speakers To Deliver Worthwhile Messages**

Speakers, displays, concerts, banquet, and entertainments, all free of charge, will be featured in Antioch at the high school, Friday, October 18, the occasion being the Farmers' institute.

Nationally Known Speakers Engaged  
With Professors R. E. Caldwell and J. E. Pieper meeting with the farmers, an institute program such as has never been attempted in this city, before will begin at 1:30 in the afternoon. The subjects of their discussions will be "Feeding the Dairy Cow" and "Quick Grass". According to a local man, these are the two things which are responsible for the greatest share of farm activity today.

The other speaker in the afternoon will be Mrs. W. J. Fulton, vice-president of the Illinois Women's Institute, who will lecture on "Recreation in the Home". Mrs. Fulton will also judge the displays in the women's department. Premiums offered to women and girls are as follows:

Best Hon. Dressed—first, \$2.50; second, \$1.50; third, \$1.25; fourth, and fifth, 75 cents.

Best Devil's Food Cake—first, \$1; second, 75 cents; third, 50 cents.

Best Two Crust Pie—first, \$1; second, 75 cents; and third, 50 cents.

The exhibits must be on display at the high school at 1:30. All premiums will be paid for by the two Antioch banks.

Big Evening Program Planned

It is expected that people from all parts of the country will attend the evening session, which will be opened by a business men's banquet at 7 o'clock in the high school cafeteria, followed by a concert by the high school orchestra. Two speakers, Dr. Stanley Krebs, of New York City, and Dr. Caroline Hedger, of Chicago, will then entertain the audience.

Educational Displays Featured  
The boys in the vocational department, under the direction of C. L. Kull, are busy preparing 14 exhibits of an educational nature which will be put on display at the institute; they have never been shown in this part of Illinois before.

## Development Campaign for Antioch Is Launched; Co-operation Is Sought

**BUSINESS AND CIVIC LEADERS**

**UNITE FOR TOWN'S BETTERMENT**

**Publicity Campaign on Community Development to Run in Columns of Antioch News**

A group of our leading business and professional men have announced their willingness to give of their time and money to promote a Campaign for the Greater Development of Antioch. At the present time Antioch can be greatly benefited by such a campaign.

Hundreds of towns and cities throughout the United States are awakening their citizens to the possibilities for the expansion of their communities. The competition for growth and prosperity between towns and cities everywhere is becoming more intensified each day. This severe competition between communities is the fundamental reason why the community development movement is sweeping the entire United States. Aggressive towns and cities are determined to develop and prosper. Their aggressiveness and determination insure that they will succeed, and their success will be achieved at the expense of those communities that have not been awake to their opportunities.

Communities cannot stand still, they will decline and decay. What they must progress and prosper or will be the future of Antioch? The answer is given by this group of loyal citizens who are making this Greater Development Campaign possible. Antioch will keep in step with progress. Antioch will grow and prosper.

Co-operation From All

Every resident of Antioch is interested in its future and will therefore welcome the news of this community building campaign. The ultimate success of any campaign of this kind depends upon two things; first, a thorough knowledge of the fundamental factors that make for a successful community; second, the co-operation of every resident of the community.

Knowledge is power in every endeavor. Successful individuals, and successful corporations have a superior knowledge in their line of endeavor. Successful communities are those whose citizens possess a thorough knowledge of the principles underlying community success. Fortunately this knowledge is available.

Because of their desire that Antioch shall become a better place to live in, and through their generosity as exemplified by their willingness to underwrite the cost of the entire campaign, a few of our fellow citizens will make this knowledge available to every resident of Antioch.

Once every week for the next twelve months, the Antioch News will present an illustrated article covering (Continued on page eight)

## PARENT-TEACHERS MEET AT THE GRADE SCHOOL MON. NIGHT

With every indication pointing toward a successful year, the first meeting of the Parent-Teachers association under the regime of the new president, Mrs. P. E. Chinn, was held at the grade school Monday night.

The program consisted of several numbers presented by Miss Meyer's pupils and a talk by Prin. W. C. Petty, the theme of which was the aim of the Parent-Teachers association. As stated by Mr. Petty, the principal object of such an organization is child welfare. He also traced the development of the P. T. A. from the time when it was known as the National Congress of Mothers. The first grade received \$3 as a reward for having the largest number of mothers present. This money will be used for the purpose of buying books.

Mrs. Rex Bonser has been chosen program chairman for the year and Mrs. John Knott, social chairman.

## Business Club to Hold Special Meeting Friday

The Antioch Business club will hold a special meeting at the Antioch Hotel Friday evening, when matters of importance will be brought before the meeting. All business and professional men of the community are invited to be present whether members of the club or not. Dinner will be served promptly at 7 o'clock.

Among those present will be Co. Clinton G. Holden, manager of Olympia Fields Country club, the largest country club in the world. Col. Holden served under Gen. Pershing in France during the world war.

## INSTITUTE OF TENTH DISTRICT CLUBS TO BE HELD WEDNESDAY

Board meeting and Institute of the tenth district of the Illinois Federation of Women's clubs will be held at the Woman's club of Evanston, corner Church street and Chicago avenue, Evanston, Ill., Wednesday, October 16. It was announced today by Mrs. Jessie M. Massie, press chairman of the tenth district. The Board meeting will be at ten o'clock, followed by luncheon at noon, and the Institute program will be held in the afternoon beginning at 1:30 o'clock.

The Antioch Women's club is affiliated with the Tenth District federation, so the meeting will have much of interest to local club women.

## Waukegan Man Robbed While Fixing Tire

While fixing a punctured tire Tuesday night on Route 22 near the Chicago, Milwaukee, and St. Paul crossing in Waukegan, S. L. Weed, Milwaukee, was held up by two masked men and robbed of \$70.

According to Weed, an old Buick car without license plates drove up beside his car and the two men stepped out with revolvers in their hands. One of the bandits kicked Weed in the hand and told him to put up his hands, while the other searched his pockets. They then ordered Weed to "beat it" and he did so while they kept him covered with their revolvers. When he returned to the scene of the holdup, the robbers had disappeared.

## CARELESSNESS IS CAUSE OF MOST FIRES

Not many years ago a forest fire broke out in a little town north of here. Propelled by a high wind it swept on and on, until finally the town disappeared in smoke and flames, and with it went the lives of many hundred men, women and children.

Fires like the one described above are rare, but fires that cause heavy property damage are common in all regions of the United States. And the sad part of it all lies in the fact that nine out of ten fires are caused by human carelessness.

An unwatched campfire, a discarded cigarette stub, a burning match—of such trivial things do great fires come. The extent of their terrible power is almost beyond the comprehension of even a vivid imagination.

Much is said about fire prevention each year, but public carelessness is not yet stamped out and therefore much remains to be said. This week is dedicated to the prevention of fire. Begin now to help do away with that vicious demon, fire.

## CARELESSNESS, THE GREAT DESTROYER

Today, if this is an average 24 hours, several scores of people will be killed and thousands injured in automobile accidents. It happened yesterday, and it will again tomorrow.

Somebody turned without giving a signal; somebody was driving too fast; somebody didn't stop at a school district or a through boulevard; somebody insisted to his much on right-of-way or what he conceived to be his privilege; somebody lost his head in a crisis. The result: Casualties and waste, in lives and property, that knowledge, caution and fairness toward others would have prevented.

It should be a reasonably simple thing to observe traffic laws, to keep a machine under control, to learn the written and unwritten rules of the road, and to keep one's eyes open for the mistakes of others as well as one's own. Yet millions of motorists fail to do so.

It should be remembered that every accident is

caused because someone was reckless, incompetent, careless or ignorant. Unpreventable accidents are rare. And in this day of fast cars and congested traffic, the poor driver is a menace to the life and property of every citizen.

## ALL FIRES PREVENTABLE

The majority of fires result from hazards that could have been removed, at the beginning, at a small cost or with a little caution. Hundreds of millions of dollars and thousands of lives are destroyed each year because of ignorance or carelessness.

The unpreventable fire is almost non-existent. The chief causes of conflagrations are defective chimneys and those, carelessly handled matches and cigarettes, defective wiring and electrical equipment.

It is better to prevent fires than to extinguish them after they have done their damage. It should be the civic duty of every citizen to see that all possible fire risks under his control are regularly inspected and made safe.

## CAN'T PROTECT CARELESS MOTORISTS

The results of well directed, systematic safety education and practice are well illustrated by the fact that the railroads have reduced fatal accidents to employees 57 per cent during the last 15 years.

While this is true of railroad employees, President Crowley of the New York Central Lines, points out that accidents at railroad grade crossings have greatly increased during the same period, due to carelessness of automobile drivers.

"Safety work was first undertaken on the railroads in 1913," says Mr. Crowley. In that year 3,353 employees were killed and 170,239 injured. In 1927, after 14 years of earnest effort to prevent accidents, including constant urging of employees to be careful, 1,427 employees were killed and 83,883 injured. That is, by systematic effort, the number of employees killed was reduced 57 per cent and the number injured 51 per cent, although the business of the railroads greatly increased during that time.

"In startling contrast with this encouraging showing is the fact that the number of persons killed at highway crossings on the railroads in 1913 was 1,125, while in 1927 the total had increased to 2,371."

The railroad companies have effectively reached their employees, while automobile drivers continue, through sheer carelessness or disregard of adequate warnings and safety devices, to contribute to the list of grade crossing fatalities.

## WILMOT HIGH SCHOOL STUDENTS ORGANIZE DRAMATIC CLUB

A Traveling Library Has  
Been Established For  
The Public

Twenty-five of the high school girls have organized a Dramatic club and will give plays during the school year. Lola Harm is president of the association, Hazel Schold, vice-president, and Irene Haas, secretary and treasurer.

A traveling library has been established at the high school by the Free Library commission. The number of books is small but the public is invited to use them. Books may be obtained during the school days from 3:15 to 4:00 o'clock.

Thursday all the high school pupils were given the Otis intelligence test. The results of the tests have not been tabulated fully as yet, but when completed, they will be very valuable in dealing with individual pupils.

Mrs. P. Allen, Spring Valley, Ill., visited with her father, Frank Hatch, and sister, Mrs. E. McDougall, the first of the week.

Mr. Graemer spent the week-end at his home in Evansville, Wis.

Norman Jendele was home from Milwaukee over the week-end.

Mrs. Fred Boulden and Mr. and Mrs. Harold Boulden, Burlington, spent Tuesday with Mrs. H. Boulden.

Randall school will hold a P. T. A. meeting Thursday night, Oct. 17.

Floyd Pacey returned to his home

in Wilmet Sunday after spending the summer at Milwaukee.

Margaret Moran is a patient at the Kenosha hospital this week.

Mrs. W. Klein has returned to Wilmet after a visit of several weeks in Chicago.

Sylvia Dowell of Cambridge, Wis., and Mr. and Mrs. Duane Dowell and daughter, from Chicago, were week-end visitors at the Geo. Dowell home.

Mr. and Mrs. Elmer Vincent entertained Mr. and Mrs. A. Kitley and children, from Chicago, Sunday.

Roland Hegeman returned from Louisville, Sunday.

Mr. and Mrs. F. Drake, Edgerton, spent the week-end with Mr. and Fred Ganger.

Mrs. A. Zorh and son and Mrs. Janet, Milwaukee, spent Wednesday with Mr. and Mrs. Frank Kruckman.

Sunday they entertained Mr. and Mrs. Louis Anderson, from Crystal Lake.

There will be English services at 10:30 o'clock at the Lutheran church Sunday morning.

Mr. and Mrs. M. Schurr announce the birth of a son, John Warren, Saturday, October 5, at the Kenosha hospital.

Mr. Liesko refereed a football game between Arlington Heights and Antioch at Antioch Saturday afternoon.

John Nett and Mrs. B. Nett were in Chicago Monday shopping for the store.

Not infrequently do decorated cars make their way through the streets of Antioch, but the one that went through Tuesday took the cake. Did you see it? Hieroglyphics of all sorts adorned the magnificent chalice which was quite a conveyance. Some of the inscriptions which added to the car's attractiveness were: "This vehicle slows up for brunettes, slows on the brakes for blondes, and backs up for red heads"; "Aged in the hood"; "Hard-started Hannah"

Somebody's memory is not so good as his eyesight. It seems that this man parked his car while he made a hurried trip into Webb's Racket store the other day. When he issued from that place of business he looked up and down Main street for the parked automobile for quite some little time before it finally dawned on him that he had left it on an entirely different street.

It seems that everywhere in the world there must be a contest of some sort or other. Psychologists place the blame for this upon modern productive industry. The industries are claimed to have originated the contest plan in order to advertise their products. Speaking of advertising, have you noticed the unique and artistic window display that the Antioch Cleaners and Tailors have thought up?

HintsFashion Hints Noticed  
Around Antioch

Observation of the women of Antioch in the morning when they go shopping or in the afternoon when they go to play bridge shows what a paramount place fashion holds in their lives. The new frock! The new hat! What a difference they make in her carriage and in the manner in which she meets other women! It seems to be the aim of every single one of them to escape the commonplace.

Well-dressed women are almost always individual in their tastes. The other day, a little woman was quietly and bashfully making her way up Main street. Even though she did nothing to attract the public eye, there was something about her which enticed the passerby to turn around in order to get a second glimpse at her. The secret of this mysterious attractiveness was her clothes.

She wore a strikingly smart ensemble of bordered tweed. The coat was swaggy cut and the skirt was pleated. The jacket trimmed attached front was made of printed crepe in harmonizing color. A tan wool felt hat with 3 or 4 dainty bow knots on its side hugged her head snugly. On her feet she boasted a pair of pretty brown one-strap slippers, and her full-fashioned hose were tan in color. Under her arm she carried a brown shell frame single purse.

A woman from a nearby village stepped into the News office Tuesday morning. She had poise and her clothes were smart and yet reserved. A deep burgundy felt hat donned her head; her coat was tan with a slightly lighter fur collar; and her burgundy wool and silk dress featured tiny, almost invisible, white stripes. Brown French kid gloves made her more confident that she was well-dressed. With her was her little niece, who was darling in a cunning red chin-chilla coat and silk tam to match.

## Tailored Suit

A tailored suit for autumn wear. Deep fall tones are its colorings. Brown and orange predominate. The blouse is of orange crepe.

Sally Ann's  
Adventures

at Her Home

Sally Ann loves to play hide-and-seek with her daddy when he comes home from work. Sometimes he hides up stairs in the clothes closet and sometimes down cellar—oh, he hides all over in every place imaginable. But you can't guess where he hid one day though. He cuddled down in the bath tub and covered himself all over with towels. When Sally Ann went into the bathroom and saw something all white in

Fall Suggestions That  
Will Help You

## How To Clean Gloves

Make a thick mucilage by boiling a handful of flax seed; to this add a little dissolved toilet soap. When the mixture cools, put gloves on the hands and rub them with a piece of white flannel wet with the mixture. Do not wet the gloves through. A second way to clean them is to take a fine, clean, soft cloth and dip it into a little sweet milk, rub it on a cake of soap, and then rub the gloves with it. They will look like new. A third way is to pour a little benzine into a basin and wash the gloves in it. Rub and squeeze them until they are clean. If they are very soiled they must be washed through clean benzine and then rinsed in a fresh supply. Following washing, hang them in the air to dry.

(These methods of cleaning kid gloves are reliable, because they have all been tried by the writer.)

## How To Freshen Furs

Fure when taken out in the fall are often found to have a crushed or mussy appearance. By means of a simple process, they may be made to look like new. Wet the fur with a hair-brush, brushing up the wrong side of the fur. Leave it to dry in the air for about 1/2 hour and then give it a good beating on the right side with the back of a clothes-brush. After beating it, comb it with a coarse comb, combing up the right way of the fur.

the bath tub, she was just scared to death, and so she ran down stairs and told her mamma that there was something funny in the bath tub. Just as mother got inside the door daddy jumped up and surprised them. When Sally Ann hides it is always easy for daddy to find her because if she is hiding under the bed and daddy walks by, she yells out, "Sally Ann are you right here?" Or else if she doesn't do that, she begins to laugh out loud. She just can't keep still if she is hiding and someone is looking for her.

She is a terribly naughty girl at the table. She won't eat anything

BRISTOL LADIES' AID  
SOCIETY ELECTS MRS.  
FOULKE PRESIDENT

B. P. T. Will Sponsor Interesting Program Friday, October 11

The Bristol Ladies' Aid society elected the following officers Thursday: President, Mrs. Wm. Foulke; vice-president, Mrs. Clyde Jackson; secretary, Mrs. Charles Buttrick; and treasurer, Mrs. Genevieve Jorgensen. Refreshments were served by the hostess, Mrs. Schonscheck.

The B. P. A. will give an interesting program Friday, Oct. 11. C. G. Goodsell of the North Shore and Milwaukee R. R. Co., will present their Woodwind Trio, consisting of three clarinets. He will also give a short stereopticon talk, followed by a music memory contest in which all will participate.

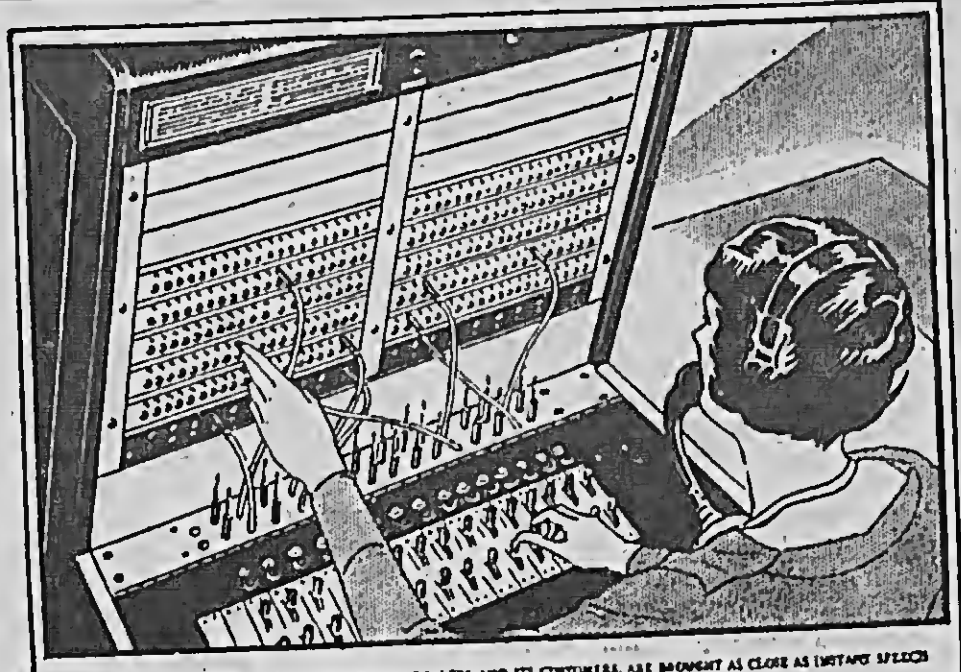

Harry Gitzlaff is reported to be recovering from his recent auto accident.

Mrs. Alfred Worth and daughter, Mrs. Ada Elliott, and children, former Bristol residents, visited many friends here this week. They reside

that her mother gives her; she just wants to eat candy and other things which are not good for little girls like her. Sometimes she throws spoons and forks too. One day when she was at her aunt's house she took the scissors and cut a nice silk pillow top into a lot of little pieces and then when her auntie, whipped her, she said, "Bohoho".

In Indiana, Penn. Miss Edith Murdoch entertained Miss Amelia Richards from Waukegan last week. Mr. and Mrs. Hendricks, Ingleside and son, Meredith, Chicago, accompanied by Frank Sherwood, Lake Villa, called on Mr. and Mrs. Frank

Fox Sunday. Mr. and Mrs. Louis Krohn and family visited Mr. and Mrs. Geo. Hubbard, Kenosha, Sunday. Mrs. May Williams, assisted by Miss Ruby Fox, will entertain the Home Missionary society, Wednesday, October 16.

## Great strides in invention, great expenditures . . .

BUSINESS, using the telephone, eliminates space and time. The far-flung parts of an organization with its dealers and customers are brought together by instant speech. The home, like the office, reaches out over an ever-widening circle of neighbors.

The telephone is tireless and quick. It runs errands near and far, transacts business, keeps friendships alive. Telephones throughout the house save time and fatigue. They bring the comforts and conveniences of the office to the women in the home.

Keeping ahead of the new developments in American life calls for great strides in invention, great expenditures in money. The Bell System's strides in invention, great expenditures in money, is more than outlay this year for new plant and service improvements is more than 550 million dollars. This is one and one-half times the cost of the Panama Canal.

This program is part of the telephone ideal that anyone, anywhere, shall be able to talk quickly and at reasonable cost with anyone, anywhere else. There is no standing still in the Bell System.

Dependable Motor Oils—  
**POLARINE and ISO-VIS**

You can depend on either of these two motor oils to lubricate your car as it needs to be lubricated. They are both sturdy, rich oils.

Because they are sturdy they will hold up under the trying conditions of country driving.

Because they are rich they will keep a cushioning film over every bearing surface.

ISO-VIS, the most sensational advance in motor oil, maintains a constant body—wears and wears and WEARS, lubricating at highest efficiency all the time. Many motorists run 1000 miles and more without draining the crankcase.

Polarine needs no introduction—for 20 years this dependable motor oil has been giving satisfactory service in millions of cars. If you want dependable lubrication for the least money, buy Polarine and drain the crankcase every 500 miles.

Polarine and ISO-VIS are made in different grades—use the grade made for your car.

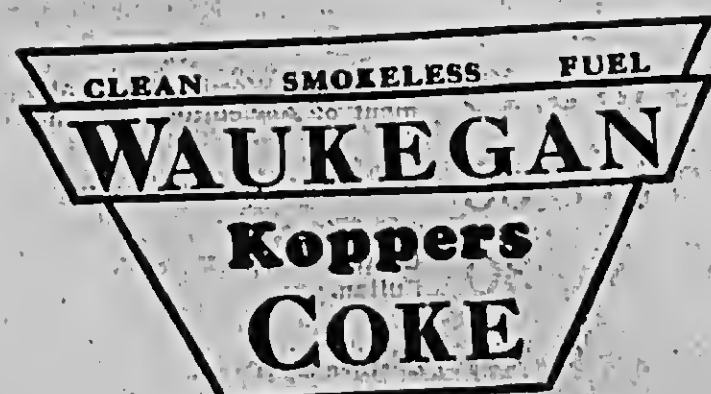

Ask any agent of the

# DUSTLESS!—that's one reason why householders favor WAUKEGAN KOPPERS COKE

With the many advantages it has to offer its users, it is no wonder that WAUKEGAN KOPPERS COKE has achieved marked popularity. It always has been sootless and smokeless . . . always clean to burn . . . with no grime to blacken woodwork, walls, drapes and furniture and make extra housework.

And NOW it is dustless, too! There is no dust when it is placed in your fuel bin . . . no dust sifting up into your home. Special treatment makes possible this important feature. It is clean while in your fuel bin . . . and it is clean to burn.

WAUKEGAN KOPPERS COKE may be obtained in a size suitable for your heating plant. For information on the correct size for your use, telephone your dealer and he'll send a fuel expert to tell you. No charge for this service!

# SOCIETY and PERSONAL

## New Antioch Woman's Club Officers Are Hostesses at Luncheon

The Channel Lake Country club was the scene of a delightful luncheon served to about 50 members and guests of the Antioch Woman's club by the new officers at the first meeting of the 1930 year, Monday afternoon.

The business meeting was opened by the newly elected president, Mrs. W. W. Warriner, who gave an interesting talk outlining the program for the coming year. Regular business of the club was dispensed with and the first speaker was called upon for her message. Mrs. S. W. Gibson, of Chicago, president of the Tenth district of the Federation of Women's clubs, spoke of club work. Mrs. Raff of Highland Park, president of Lake County Federation of Women's clubs; Mrs. J. K. Farley, Jr., of Kennelworth, corresponding secretary for the Tenth district; Mrs. Earl Stanford of Fox Lake, treasurer of the Tenth district; Mrs. W. H. Osmond, past president of the Antioch Woman's club all brought messages to the club.

After the addresses and business was dispensed with, tables of bridge were made up. The rooms were beautifully decorated with flowers which were picked by the members from their gardens.

The next meeting will be held October 21, and will be a combined meeting and entertainment. "Fall Gardenings" will be the topic of Mr. Hudson in the afternoon address, and Mrs. Winslow, Watson and Williams will be hostesses.

The club members wish to thank the board of managers of the Channel Lake Country club for the courtesy extended in giving them the use of the club rooms for this occasion.

The complete list of officers and standing committee members for the year 1929-30 are as follows:

President ..... Mrs. W. W. Warriner  
Vice-President ..... Mrs. H. H. Grimm  
Secretary ..... Mrs. John Horan  
Corresponding Sec. .... Mrs. Lester Osmond

Treasurer ..... Mrs. Chas. Powles  
Program ..... Mrs. O. C. Mathews  
Social ..... Mrs. Ernest Brook  
Membership ..... Mrs. Ben Burke  
Education ..... Mrs. Alice Regan  
Community Service ..... Mrs. H. B. Gaston  
Boy Scout ..... Mrs. S. Boyer Nelson

Telephone 61-M

Among the various activities of the week are: The Boy Scouts of Troop 81 meet on Tuesday night at 7:30. The Chorus meets for rehearsal on Wednesday night at 7:30. The Sunday School board meets on Tuesday night at 8:00 o'clock at the parsonage. The Thimble Bee society meets on Thursday afternoon with Mrs. Ferris.

The services for Sunday, October 13, are: Sunday school at 9:30. Remember this is fifteen minutes earlier than our usual time. Morning worship, including Junior church, at 10:45. The choir will sing. The Junior League will meet for organization on Sunday afternoon at 4:00 o'clock. All Juniors who are in the 6th, 7th, and 8th grades are invited to be present and have a part in the League. Lower grades may later be included, but the present organization necessitates limiting the number to these grades. Epworth League will meet at 5:00 o'clock. William Nelson, the first vice-president, is to be the leader this week. Evening worship at 7:30, to which all are invited. The Methodist church is a friendly place, and you will find a cordial welcome.

about Konjola and decided to try it. Each new day saw me more improved. The rheumatism became less severe and finally vanished. Catarrh disappeared and has never returned. When the poisons were eliminated from my system all signs of stomach trouble disappeared. Konjola gave me health, glorious health, and that is why I praise this medicine with all my heart and soul.

Konjola is sold in Antioch, Illinois, at S. H. Reeves' drug store, and by all the best druggists in all towns throughout this entire section.—Adv.

## "WORDS FAIL TO EXPRESS THANKS FOR NEW KONJOLA"

Man Had Rheumatism For Fifteen Years; Now Is Well Again

MR. JOHN BATES

"Words fail to express my thanks for Konjola," said Mr. John Bates, 805 North Dearborn Avenue, Chicago, Illinois. "Fifteen years ago I became afflicted with rheumatism and five years later catarrh developed. Rheumatism affected my arms and shoulders. The poisons in my system made my stomach disordered and caused gas, bloating and indigestion pains after every meal.

"I began reading and hearing much

## MISS SPITZER MARRIES CLINTONVILLE MAN

Miss Pauline Spitzer, Eland, Wis., and Sam Bentley, Clintonville, were recently married at Wittenberg, Wis. The bride, who is a sister of Mrs. Raymond Wildhagen, of Lake Catherine, has many relatives and friends in Antioch, Salem, and Bristol.

\*\*\*

Mr. and Mrs. Andrew Dalgard are spending the week at Chetek, Wisconsin.

Mrs. Blanche Kiefer and Miss Maryette Wilton spent Tuesday in Waukegan visiting their sister, Mrs. Corn Gerred.

Mr. and Mrs. Martin Zimmerman spent Monday in Chicago.

Mrs. Chas. Wendell returned to her home in Chicago, after spending the last three months at the John Knott home.

Mrs. Myrtle Horton will entertain the 500 club Friday.

Mrs. Alonzo Runyard entertained at cards Wednesday.

## KNOT HOLE NEWS

Vol. II Thursday, September 26, 1929 No. 40

Published in the interest of the people of Antioch and vicinity by H. R. Adams Lumber Co. H. R. Adams, Editor Rex Bonser, Mgr.

Where are you going to put that new car this winter? You certainly don't want to pay storage on it, when for the same money, you can have a garage of your own. Come in and look over our latest plans. We have some dandies.

When television is perfected we may get a little pleasure out of getting the wrong number.

How is your porch? Is it going to be a cold, bleak, snow trap again this winter? It doesn't cost much to get it "glazed in" and think of the fuel you will save. Ask us for an estimate, no harm done.

"Petting", says a

university professor, "involves emotional excitement." Now, listen prof., you wouldn't kid us about this, would you?

How long has it been since you painted your home and other buildings? If it has been years, don't you think you ought to paint this fall before winter's dampness can get into wood and cause it rot? Remember, if you save the surface you save all.

A fashion magazine warns us that women's waists will be an inch higher this year. Oh, well, wherever they are, we'll find 'em.

The next war, they say, will be fought by wireless. We heard something on our set the other night that made us think it had started.

Again we say, "we have every-

thing to gain by pleasing you and everything to lose if we fail.

When the Cubs hit they're terrific; when they don't they're terrible; the question is, will they or won't they?

Europe is so slow about paying its war debts, it must have the idea that the United States is a retail lumber yard.

There never was anything made but someone else could make it worse and sell it for less.

"Do you know, our new minister is just wonderful. He brings home to you things you never saw before."

"That's nothing, we have a laundryman that does the same thing."

## Dividend Printing

There is one kind of printing that you want—printing that pays a dividend on the investment. A letterhead with right sort of type properly balanced is a real business asset. It wins the approval of the person receiving your letter, and while he is in this frame of mind your letter is read.

The same reasoning applies to any other job of printing. Neatness, the right weight and kind of paper, the color of the ink, the selection of the type, all play an important part in the production of dividend printing.

We are equipped to give you that kind of printing. Let us prove it to you.

# ANTIOCH FOOTBALL TEAM WINS FROM ARLINGTON HEIGHTS ELEVEN

## LOCAL REGULARS SWING 13 TO 0 SCORE SATURDAY

Lightweights Play Good  
Game — Score Is  
6-0

After employing several skillful tactics in the closest game that this season has witnessed thus far, the Antioch football squad won over Arlington Heights by a score of 13 to 0, Saturday. Contrary to the preliminary information which had come to the school, the members of the Arlington Heights team were far from being light weights.

The first quarter of the game failed to score for either team. In the second quarter, Antioch forced the Heights boys to punt from behind the latter's goal line. The local fellows then broke through the line and blocked the punt. Turk's falling on the ball at that instant produced 6 points for the Antioch boys. The point following the touchdown was not made. The third quarter was also without a score. In the final quarter, the local squad pushed the ball down to the Heights 20 yard line from which place the long pass from Mastne to Turk again scored. The point after the touchdown was made by means of line plunges. Just as the final gun went off, Antioch had intercepted a pass and had returned it to the 10 yard line. They no doubt would have scored had there been a few more seconds of playing. Winning by a score of 6 to 0, the

lightweights played an excellent brand of football for the first game. In fact some of them played well enough so that they will be drafted into the regular team in the near future. Florio showed especially well in his open field running. The game this week will be played at Gurnee, Friday p. m. The lightweights will start the game at 2 o'clock. As both Antioch and Gurnee have teams that play smart football, two good games are in store.

### S. E. Burnett Will Have Auction Sale October 16

An auction sale will be held at the S. E. Burnett farm 1 1/2 miles south of Lake Villa, and 4 miles north of Grayslake on Route 21 on Wednesday, October 16, at 1 o'clock. He will offer the following personal property for sale:

7 Holstein and Guernsey cows, (these cows have passed 4 tests and a 60-day retest); 2 horses, 1 pony, 5 years old, saddle and bridle; 1 set double harness, feed machinery, tools, and some household goods. Wm. A. Chandler will be the auctioneer.

## NEW FACES TO BE SEEN IN PALACE ARENA FRIDAY

Bob Stone, Heavyweight  
Champ, to Meet Hendrickson in Windup

Many new fighting faces will be seen in the Antioch Palace arena here Friday in an all-star card of seven bouts, featuring Bob Stone, heavyweight amateur champion, in the windup event with Dave Hendrickson, Chicago's 185 pound sensation.

Karl Schmidt, Michigan champ, will meet Jimmy Haggar, Elgin, in the semi-windup at 140 pounds. These boys, both new to Palace fans, have

excellent reputations and their three round argument ought to be well worth seeing.

Another bout of windup calibre will be staged between Ernie Krotochvil, Racine, and "Hutch" Hunter, Elgin, at 134 pounds. In the opener, Paul Harris, Grayslake, takes on a Fox Lake battler, Johnnie Crow.

The lightest pair of fighters on the card will be George Sames, Antioch, and Pete Serreda, Chicago, who weigh in at 113 pounds. This will be the second bout of the show.

Jimmy Fay, Melrose, and Bill Kuzmurski, Detroit, are principals for the third bout, and Harry Godrickson, Chicago, and John Kawa, Elgin, will mix in the fourth fight of the evening.

### LAST Friday's Fight Results

#### Windup

Bob Miller, Evanston, stopped Buddy Meyers, Twin Lakes, in three rounds.

#### Semi-Windup

Rudy Peterson, Evanston, won over Bill Krueger, Chicago, in four rounds.

#### Preliminaries

1—Paul Harris, Libertyville, shaded

Paul Shamylt, Waukegan, in three rounds.

2—Sma Almo, Chicago, lost to Ernie Krotochvil, Racine, in three rounds.

3—Jimmy Fay, Melrose, beat Joe Anderson, Chicago, in three rounds.

4—Grover Alexander, North Chicago, won the decision over Oscar Miller, Chicago, in four rounds.

5—Ted Berg, Chicago, won on a technical knockout over Joey Pitts, Evanston, in four rounds.

## LAKE VILLA LADIES' AID SOCIETY ELECTS MRS. MAIER, PRES.

The Ladies' Aid society met with Mrs. Al. B. Maier last Wednesday afternoon and the following officers were elected: President, Mrs. Carl Seeger; vice-president, Mrs. J. A. Pederson; secretary, Mrs. Charles Hamlin; and treasurer, Mrs. Frank Wood. The women have been very busy this year and have installed gas in the church kitchen and parsonage and bathroom in parsonage, besides contributing to church support generously, and we predict a successful year ahead.

The Ladies' Aid society will meet on Wednesday afternoon, October 23, with Mrs. Peter Mork for the social meeting of the month and you are invited to attend.

Mrs. Fred Witt was taken to the Lake County General hospital last Thursday suffering from cuts on her head and neck when she fell in the yard the night before; she lay unconscious for some time before she was able to come to the house. At the present time she is doing nicely.

Mrs. Leo Barnstable entertained the Bridge club at her home last Thursday afternoon.

Rev. Alsbaugh and a group of Boy Scouts attended the football game at Northwestern university, Evanston, last Saturday afternoon.

The funeral of Edwin Wilkinson, who died as a result of injuries received when he collided with a Hudson car at the entrance to the Venetian Gardens at Sand lake, was held at Elburn on Saturday. Several from here attended the services, as he and his family, have many friends and relatives here; his mother is a sister of B. J. Gallger and a daughter of Mrs. Margaret Gallger.

Mr. and Mrs. Clayton Hamlin and son, Mundelein, spent Sunday with Mr. and Mrs. Fred Hamlin.

Mrs. Mattie Dalrymple is visiting the Dr. Jamison family.

Last Wednesday morning the cottage owned by W. G. Hucker and occupied by men who work at the coal chute, was found to be on fire; the origin is unknown. The men were able to save some personal effects; the building was partially insured.

Our teachers, Mr. Mohar, Miss Schlabach, Miss Sebor, and Miss Falch, also Miss Lawler of Cedar lake school, attended the Teachers' meeting at Libertyville Saturday.

Arthur Haley and family have moved to Antioch.

Mr. and Mrs. Nell and daughter, Chicago, spent Saturday night and Sunday with Mr. and Mrs. Chas. Kelly.

Mr. and Mrs. Joe Nadr have moved to the cottage recently vacated by the Burke family and Mrs. Eyer and children will occupy the flat vacated by the Nadr family.

Miss Elizabeth Lawler spent Saturday evening and Sunday with her parents at DeKalb.

Mr. and Mrs. Earl Miller, Chicago, spent Sunday with their parents here. Our village streets have been great-

## "IN SCHOOL DAYS"

Freshman Class Gives Unique Party In High School Gym

One of the most unique parties held at the high school in years was staged by the freshmen in the gymnasium Friday night. In keeping with the campaign which they are featuring in order to earn money, the party took the form of a paper affair. To gain admittance, each one had to bring with him a newspaper or a magazine; three teams were formed and each was given a large paper banner on which they placed red, blue, and white paper ribbons as they were secured in the various events. The formation of these three teams was cause for plenty of noise and activity. The refreshments consisted of sandwiches and cookies served in paper bags and ice cream served on paper plates by several junior girls. The chaperones were Miss Smith and Mr. Reed.

A musical program given in the high school auditorium Tuesday consisted of the following numbers:

Souvenir de Wieniawsky ..... John Tellalsha (violin)  
Meditation ..... John Tellalsha (violin)  
Adoration ..... John Tellalsha (violin)  
Barcarade ..... Hans von Holwede (cello), John Tellalsha, (violin), (accompanied by Miss Rice)  
Melody in F ..... Hans von Holwede (cello), John Tellalsha (violin), (accompanied by Miss Rice)  
Popular Songs (in different interpretations) ..... Hans von Holwede

This season's first conference meeting of principals and coaches was held at Arlington Heights Wednesday night. It was decided to hold the music festival again this spring. Mr. Bright, who is in charge of it, says that his biggest problem will be to secure a place in which to hold it, because of the great number who are expected to take part.

An enthusiastic audience turned out to hear the concert rendered by the Waukegan Symphony orchestra Monday night. About \$100 was realized, 40% of which belongs to the local school. This was the first time that a real symphony orchestra has appeared in this city. Attempts are being made to secure a return program. The school wishes to thank those who gave their support to this concert.

Marjorie Crowley, Dolores Blackman, Lillian Laursen, and Elizabeth Corrin spent Saturday at the Corrio farm.

Miss Warner and Mr. Petty took the eighth grade pupils out to Roy Pierce's nursery, Tuesday for the purpose of studying trees.

Miss Hyneck and her pupils realized \$9. from the sale of home-made candy held in her room last Friday. Recreation reading books will be purchased with the money.

ly improved by the new lights which hang from the center of the street.

## MILLBURN WOMAN SUFFERS BRUISES WHEN SHE FALLS

Mrs. Mann, Hebron, Ill., and daughter, Mrs. Austin Savage, Hickory, spent Thursday at the George Edwards home and attended the Ladies' Aid meeting at Mrs. H. E. Jamison's in the afternoon.

Mrs. Dan Webb had the misfortune to fall down the stairs in her home last Wednesday; she suffered many bruises besides spraining one foot.

John Chope, who has not been out since the accident which occurred while he was cutting corn September 13, is seriously ill with pneumonia.

Mr. and Mrs. George Beaumont and son, Kansasville, Wis., and Mr. and Mrs. Hynd Adams, Racine, spent Sunday with Mr. and Mrs. Robert Bonner.

Mrs. R. G. Marrie, Russell, spent Friday with her mother, Mrs. Jane Slocum, who is slowly improving. Mr. and Mrs. John Kaluf, Bruce Lake, spent Sunday with their daughter, Mrs. Frank Edwards.

Mrs. Sheldon A. Harris, Oak Park, and Mr. and Mrs. W. G. Thom, and Mr. and Mrs. Paul Harris, Chicago, called on old friends at Millburn Thursday.

Rev. E. W. MacNair, former pastor here, will be ordained in Millburn church, on Wednesday afternoon of this week. He is now pastor of the First Congregational church, Niagara Falls, New York.

W. M. and J. G. Bonner drove to Lake Mills, Wis., Thursday.

Miss Viola Alshaus is spending a few weeks at her home near North Chicago.

Mr. and Mrs. J. S. Denman and children and D. M. White were entertained at E. E. Denman's Sunday. Mr. and Mrs. C. E. Bonner and daughter spent Saturday with friends at Park Ridge.

## Announces the Appointment of

MacLEAN MOTORS

895 Main Street, Antioch

Phone 297

As Associate Dealer of

Ludlow Motor Co., Waukegan

WE ARE pleased to announce the appointment of a new local dealer whose standing and experience provide the qualifications to meet the exacting standards required of those who sell and service Oakland and Pontiac Sixes.

We hope you will become acquainted with this new organization. Visit the showroom at your first opportunity. See the All-American Six whose superb power, stirring performance and vivid style have established an entirely new conception of the modern motor car.

See also the many features of advanced design embodied in the Pontiac Big Six—the big car luxury, beauty and comfort of its bodies by Fisher—the big car power of its new, larger I-head engine—its big car speed, big car safety and smooth, alert performance.

In addition to new cars of matchless value, this dealer also is authorized to sell Good Will Used Cars—reliable, inexpensive transportation backed by a fixed policy of honest value for the customer's dollar. Our new dealer will welcome you whenever you find time to stop in. Call at the showroom.

# Now he gets half his motor oil free!

Figure it out for yourself. One less carbon and valve job a year means a saving of \$11 or \$12. And that's just half the average yearly expenditure per car for lubricating oil.

But how can you reduce the number of carbon removal and valve grinding jobs? Thousands have found a way. They have discovered through experience that one oil—Shell Motor Oil—forms very little carbon...on test, one-half to one-third less than many otherwise fine lubricants.

And this negligible amount of carbon is soft, fluffy and non-fouling. It does not bake on metal surfaces, but actually blows away with the exhaust gases.

However, with Shell Motor Oil, even more important than the reduction in carbon jobs is the freedom

from "frozen" piston rings and pitted valves... and the satisfaction which comes from driving a smooth-running and efficient automobile.

Shell Motor Oil is prepared from Nature's richest lubricating crude by the Shell low-temperature refining process. And before it reaches you, it passes 259 tests to certify that every quart possesses the four essentials of correct lubrication: Low Carbon Content, Non-Fouling Carbon, Ideal Body at All Operating Temperatures, and Low Pour Point.

STOP AT THE SIGN OF THE SHELL—And let the Shell Lubrication Chart be your guide. Courteous salesmen await you at the familiar yellow and red service stations. Convenient everywhere.

To the man who asks for oil by name—we say: "Try Shell for 30 days"

The man who asks for oil by name knows that there is a difference in oils. It won't be difficult for him to notice the quicker pick-up, greater power, and better all-around performance of an automobile with Shell in the crankcase.

Shell 400 "Extra Dry" Gasoline knows exactly what you mean when you step on the starter. Ought to cost more, but it doesn't.

has the 4 essentials of complete and proper lubrication

# Illinois registers 110% increase in EIGHTS

As proof of the tremendous growth in public preference for right-cylinder cars, registration figures in this state for the first seven months of 1929 tell their own story. Eights above \$1000 an increase of 110 per cent., while Sixes in the same price field decreased 12 per cent.

The tendency is the same the nation over. In 43 states, \* Eights above \$1000 increased 94 per cent. Sixes declined 18 per cent. Nobody can doubt the evidence. We are passing into an eight-cylinder era!

Studebaker today leads the world in the manufacture of Eights—Eights that are champions—holders of 11 world records for speed and endurance and more American stock car records than all other makes combined—Eights which are remarkably economical—smooth, flexible, brilliant.

Drive a smart new Studebaker Eight—President, Commander or Dictator—each backed by Studebaker's 77 years of manufacturing integrity. Your new car will be worth more a year from now—if it's an Eight!

\* 5 states do not compile registrations by engine types.

## TREVOR 500 CLUB HAS FIRST MEET WITH MRS. GEVER

Social Center Hall is  
Scene Of 4-H Club  
Activity

The Trevor Five Hundred club held its first meeting at the home of Mrs. John Gever Wednesday afternoon. The honors went to Mrs. Henry Erle. Mrs. Charles Runyard, and Mrs. Lucy Hollister. Mrs. Henry Erle will entertain the women next Wednesday afternoon.

Mr. and Mrs. Clayton Lester, and Mrs. Clark, Spring Prairie, and Mrs. Shotliff and children, Wilmet, spent Wednesday afternoon with Elbert Kennedy.

The 4-H club met at Social Center hall on Wednesday evening; after the business meeting, lunch was served by Marguerite Evans and Jack Kavanaugh. Games were then enjoyed. The third, fourth, fifth, sixth, and eighth grades have formed a literary and baseball club. The captains of the ball teams are Elvina Derier and Lois Pepper. They enjoyed the first game Friday.

Mr. and Mrs. Arthur Feldcamp, Salem, were Trevor callers Tuesday evening.

Mrs. Daniel Longman and son and daughter and Betty Rowan were Antioch visitors Saturday afternoon.

Miss Daisy Mickle and her guest, Mrs. Pat Elberta, Livingston, Montana, went to Chicago Thursday to spend a few days with relatives.

Mrs. Chamblay and son, Ed, Bristol, spent Saturday evening at the Ambrose nursery home.

The friends of William Evans will be pleased to know that he is recovering from his recent illness.

Mr. and Mrs. Jos. James, Antioch, and Mrs. James' sister, from Virginia, called at the Daniel Longman home Saturday evening.

The Trevor P. T. A. will meet at the school house immediately after school Friday.

The Domestic Science class has taken up cooking.

Mrs. Fred Forester and Junior Pepper visited school Thursday afternoon.

Mr. and Mrs. Allen were Antioch shoppers Saturday evening.

Mr. and Mrs. Arthur Schumacher, Kenosha, visited the former's mother, Mrs. Otilia Schumacher, Saturday evening.

Mr. Toma, Chicago, spent the week-end with John Mutz, Sr.

Mr. and Mrs. Charles Gabriel, Chicago, visited at the Gerl home Sunday.

Mrs. Gerl and daughter were in Kenosha Wednesday.

John Mutz, Sr., and son, Ed, transacted business in Deerfield, Wis., on Monday.

Mrs. George Patrick accompanied Mrs. Byron Patrick and sons to Kenosha Saturday.

They called on their uncle and aunt, Mr. and Mrs. Tall. Nick Schumacher spent last week with his brother, Arthur Schumacher and family, in Kenosha.

Mrs. Alice Terpin and Miss Patrick spent from Wednesday until Sunday with their brother and wife, Mr. and Mrs. George Patrick, and niece, Mrs. Wm. Kruckman and family, Burlington.

Three large silos were built at the stock yards last week.

Mrs. Will Stenzel of Wilmet and daughter-in-law, Mrs. Elmer Stenzel, Camp Lake, called Mrs. Joseph Smith Tuesday.

Mr. and Mrs. Andy Semmelman attended the wedding of the latter's brother at Libertyville Wednesday.

Mrs. Signe Laurson of Antioch and Miss Anna Ellison, Chicago, were Trevor callers Friday.

Rev. and Mrs. Jaster, Bristol, were callers here Friday.

The Misses Ethel Hackett and Florence Ridge spent the week-end at their respective homes in White-water.

Mr. and Mrs. Andrew Hanson, Bristol, were Friday evening callers at the Klaus Marks home.

Mr. and Mrs. Wm. Schilling and son, William, Jr., motored to Ludington, Mich., Friday to visit Mr. and Mrs. Herman Klamm. They returned home Wednesday.

Sunday visitors at the Charles Oetting home were: Mr. and Mrs. Ole Bekgaard and daughter, Betty.

Mr. and Mrs. Albert Martin and daughter, Betty Jane, and Miss Gertrude Mathews, Waukegan.

Charles Kavanaugh, Chicago, spent the week-end with his sister, Mrs. Richard Moran and family.

Mr. and Mrs. Fred Forester and children visited friends in Forest Park Sunday.

Card parties at Social Center hall will start Saturday evening, October 12. All are cordially invited.

Sunday visitors at the Klaus Marks home were: Mr. and Mrs. William Olson and son, Mr. and Mrs. Clifford Zebeck and children, Racine, and Mr. and Mrs. Harry Silvers, Chicago.

Mrs. John Gever and sister, Miss Evelyn Myers, were in Kenosha Saturday.

Mr. and Mrs. Ole Bekgaard, Racine, have purchased the Charley Oetting cottage and will take possession about the first of November.

Sunday visitors at the Wm. Evans home were: Mr. and Mrs. George Rohnow and daughter, Joyce, Mr. and Mrs. Earle Kunko and son, Kenosha; Howard Johnson, Mrs. Ada Hulton, Miss Olive Hope, Salem; Mr. and Mrs. Puffer and sister and Mike Hlmsen, Antioch.

Mr. and Mrs. Ralph Kennedy, Chicago, were Trevor callers Sunday.

Eighteen carloads of Washington lambs were unloaded at the stock yards Monday.

Mr. and Mrs. Henry Erle have rented the Spanish house belonging to Mrs. Mary Oswald and will move there in the near future.

Mrs. Fred Harden and Mrs. Edleman, Antioch, called on Miss Patrick Monday.

Mrs. Kate Van Osdal and son, Wm., and Mr. and Mrs. Steve Johnson and children, Chicago, spent the week-end at the former's cottage.

## SALEM RESIDENTS ARE ON MOTOR TRIP THROUGH WISCONSIN

Mr. and Mrs. Otto Scholer, who were accompanied by Mrs. Becker and Mrs. Henry Weinhelmer of Kenosha, are on a ten days' trip through northern Wisconsin.

Mrs. Evan Jones and Mrs. Wesley Williams, Bristol, spent Wednesday afternoon with Mrs. Newton Merlith.

Mr. and Mrs. James Campbell and Harry Root spent Thursday in Chicago.

Little Joan Jaralga of Kenosha spent last week with her grandmother, Mrs. Kate Jaralga, while her mother, Mrs. Lawrence Jaralga, and little son were visiting relatives in Withee.

Lela Runkle of Burlington and son, Guy Runkle, Baltimore, called on Mrs. Lucia Stocker Saturday.

Mr. and Mrs. Lester Fiedkamp and family and Mrs. Kate Elfers of Kenosha, visited Mrs. Kate Fiedkamp and Mr. and Mrs. Arthur Fiedkamp Sunday.

Mrs. Herman Schonscheck was called to Channel lake Thursday night to care for Mrs. Lippman and baby boy.

The Pricillas met with Mrs. Kate Jaralga last Thursday afternoon. A large number of women enjoyed her hospitality.

Rev. and Mrs. Carl Stromberg spent several days last week with his parents, Rev. and Mrs. Stromberg of Downing, Illinois.

The Misses Josie and Jennie Loesch and Pearl Sanborn drove to Antioch Saturday evening to call on Mrs. Mattie Tiedt and Miss Mary Garglin.

Mr. and Mrs. Fred Lavey of Bristol, Mr. and Mrs. Leo McVear and Alice Runyard & Behanna, Attorneys, (11)

Waukegan, Ill., October 4, 1929.

Mr. and Mrs. Orville Riggs start-

ed Sunday to Tomahawk lake for a week's fishing and hunting trip.

Miss Pearl Sanborn and Mrs. Olive Muttter spent Sunday with the Misses Josie and Jennie Loesch and in the afternoon they drove to Lake Geneva, Elkhorn, Burlington, Paris Corners, and to Bristol to call on Mr. and Mrs. D. L. Burgess.

Rev. Carl Stromberg went to Evanston Monday to commence his school work at Garrett Biblical Institute.

Misses Leo McVear, Fred Stephens, and Orville Riggs, the Misses Olive Hope, Martha Hutchins, and Ida Jaralga, Mr. and Mrs. Louis Jaralga, and Howard Johnson attended an Eastern Star meeting at Bristol Wednesday evening.

Mr. and Mrs. Henry Gitzlaff, Ethel and Clara, attended the P. T. A. at Woodworth Friday evening. The sisters gave a piano duet on the program.

Ida Jaralga, who has been employed in Chicago a number of years, is home to spend the winter with her mother, Mrs. Kate Jaralga.

Mrs. Lucia Stocker and Miss Ada Bufton attended a reunion of the Minnie families given by Mrs. Lela Runkle, Burlington, Sunday.

Rev. and Mrs. Stromberg and Mrs. Olive Muttter were Kenosha visitors Saturday.

Mr. and Mrs. McKlany, Chicago, spent the week-end in Salem; Mrs. Eugene Hartnell accompanied them home for a two days' visit.

Frazier, deceased, will attend the Probate Court of Lake County, at a term thereof to be held at the Court House in Waukegan, in said County, on the first Monday of January next, 1930, when and where all persons having claims against said estate are notified and requested to present the same to said Court for adjudication.

MRS. NETTIE G. FRAZIER,

Executrix

Waukegan, Ill., October 4, 1929.

Runyard & Behanna, Attorneys, (11)

## Temporary Fences Save Time, Labor and Money

THEY cut labor costs by letting the stock do much of the harvesting. They turn into money much forage so often allowed to go to waste, enable you to rotate stock and hogs over different fields and maintain fertility. Live stock as well as hogs salvage much grain left in the field.

For instance—dividing either permanent or temporary pastures, hogging off part of your corn, turning in on legume crops—all these practices are profitable and all can be followed through using a few stretches of temporary fence here and there on the farm.

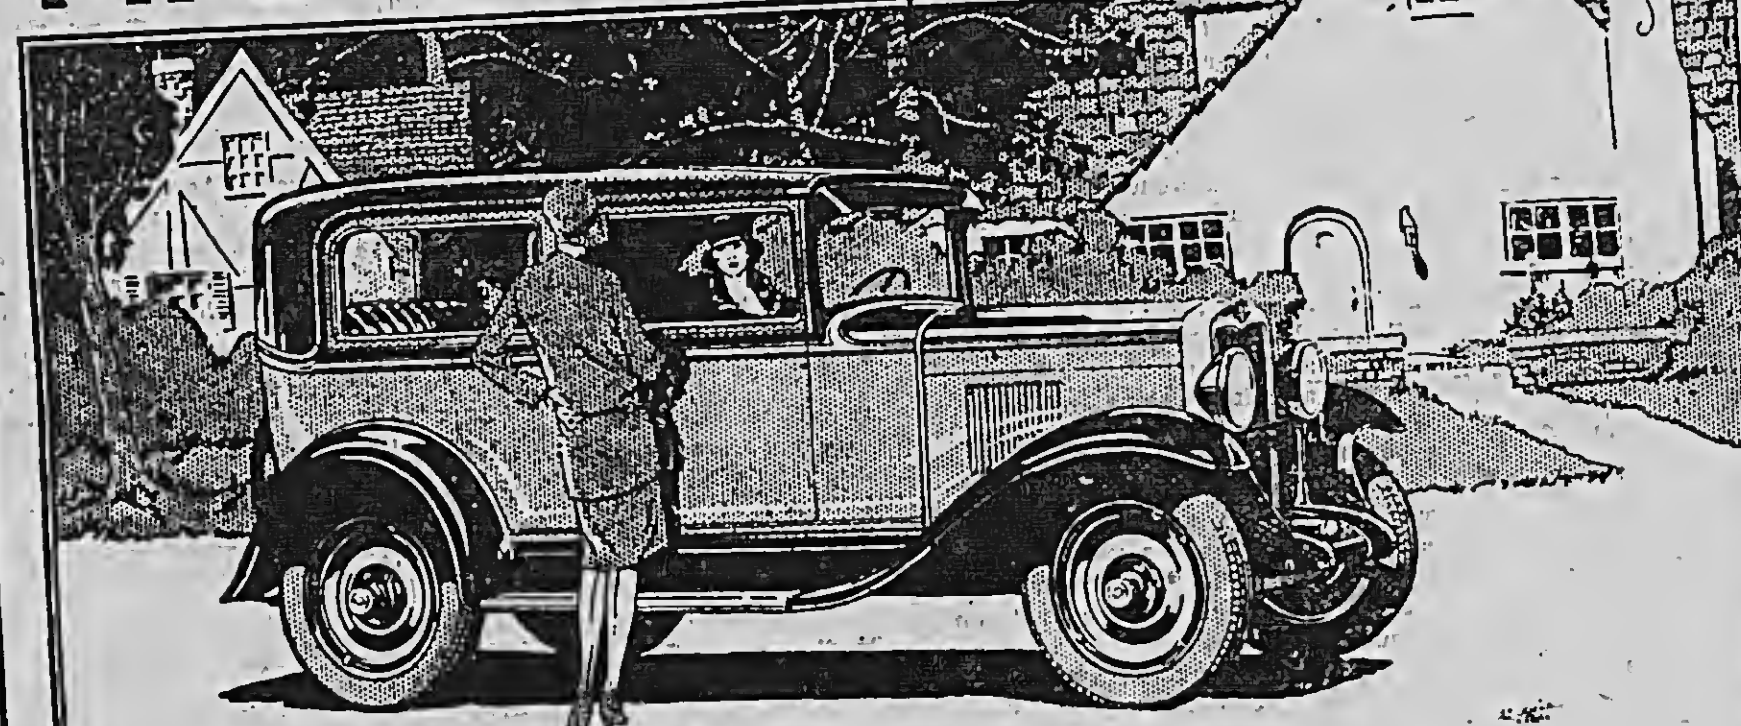

Temporary fences can be quickly erected on Red Top Steel Posts. With a Red Top Driver these drive easily through hardest soil at the rate of 200 to 300 a day. And after using them for temporary fences they can be withdrawn and used in your permanent fence line—makes your fence post dollar do double duty.

Come in and let us show you the advantages of the Red Top Post that make it the most dependable and economical post for you to use for all purposes.

## Development Campaign for Antioch Is Launched

(Continued from first page)

ing some phase of community development that every citizen should be familiar with. Each week for the next fifty-two weeks some factor of community advancement will be fully discussed, pointing the way to a better and more prosperous Antioch. The Antioch News is proud to be able to present to its readers this epoch making series. It feels that, by so doing, it is rendering another great service, not only to its readers, but to the whole community as well.

## Knowledge Is Power

The articles that will be presented have been prepared by a corps of authorities who have spent years in study of community problems—problems such as those facing Antioch today. Every article is founded upon actual facts secured from the analysis of thousands of communities in every part of the United States.

During the next fifty-two weeks, by means of this Community Development Program, every man, woman and child in this community will enjoy the opportunity of becoming familiar with the success building qualities essential to the greater development of Antioch. This will be the most comprehensive program presented in this part of the United States.

There is not a single activity in the community life of Antioch that will not be covered in this Greater Development Campaign. These activities and institutions of Antioch that stand for progress will be brought to the attention of all, while the weaknesses will also be pointed out so that they may be strengthened. Each article will serve as a guide post, pointing the way toward the goal of our desires, a better and bigger Antioch.

A generation ago a campaign of this nature would have been impossible. At that time, rarely was the development of communities handled on

a well organized plan—more often towns and cities merely drifted, some toward prosperity while others slipped into oblivion. Today, however, community building has become a science. By scientific methods a community can be analyzed, diagnosed in a manner not unlike the physician examines and diagnoses the individual.

## Business and Civic Leaders Cont....

As the doctor prescribes for the individual, in a like manner the community specialist prescribes for the betterment of the community. This development campaign brings to Antioch citizens the latest thought on community building from the best scientific minds on this subject.

The greatest good from this development program can only be secured through the heartiest co-operation and support of every man, woman and child in Antioch. This progressive movement merits their support. The necessary funds have been provided, but it must be remembered that its ultimate success demands that everyone join into the spirit of the campaign.

We are fortunate in possessing the type of citizens in Antioch that truly to the support of this community whenever called upon. Our citizens have always responded nobly to all movements for the promotion of a greater community welfare.

Because of this loyalty, the Antioch News feels assured that the Development Campaign will be highly successful. That it will receive the heartiest co-operation of every man, woman and child in Antioch. This will result in the creation of a Greater Antioch.

## Supported by Town Leaders

The campaign is on, the opening article appears as a full page in this issue of the Antioch News. Turn to this page, read every word that appears there. Stop and think of what you can do to make Antioch a better

## You Can't Blot Out An Accident!!

But you can do the next best thing—you can call us after it happens!

Of course, you hope you never hit another car, and that no other car ever hits you, and that you don't slide off into the ditch. But you never know.

So "paste this in your hat"—that in times of emergency, we are as close as the nearest telephone. Our "S. O. S." service has won us many friends. For a friend in need is a friend indeed.

Our tow car with its equipment is always at your service.

## Save on the Budget Plan

Ask any man who has made a financial success in life how he accomplished it. His answer will be, "By saving." He did not spend every cent he made, but built up a fund which was available when he needed it for business purposes. He is no different than you, except that you must learn the saving habit. Save on the budget plan—a certain amount each week going into your savings account. You will be surprised how it will grow and earn more money for you. Interest 3 per cent yearly.

The First National Bank  
"A Friendly Bank"

place in which to live. Join in supporting this great program by lending your assistance. If you will do this, and if your neighbors will do this, then there can be only one answer regarding the outcome of this campaign—it will be crowned with success.

The  
TREASURE  
of the BUCOLEON  
by ARTHUR D. HOWDEN SMITH

AUTHOR OF  
BEYOND THE SUNSET, THE DOOM TRAIL ETC.

COPYRIGHT 1923 BY BRENTANO'S INC. COPYRIGHT 1923 THE RIDGEWAY CO. W.M.U. SERVICE

Thrilling story of adventure which brings the East to our doors... the Near East, with its medieval traditions and modern warring factions. The most stirring of the events take place in Constantinople, amid the colorful scenes and polyglot population of that romantic and highly interesting world crossroad. A hunt for treasure buried for centuries. Romance and excitement aplenty.

A Remarkably Fascinating Tale Which  
Will Be Carried as a Serial in
